EXPLORE ENDLESS ADVENTURES AT LOCO BEAR DUBAI

Dubai's newest family entertainment hub, Loco Bear Dubai, brings a vibrant mix of fun, adventure, and creativity to the city. Located in Al Quoz, this state-of-the-art venue boasts a range of interactive play zones, thrilling attractions, and creative workshops designed to captivate visitors of all ages. Highlights include one of the largest trampoline parks with interconnected trampolines, ninja courses, sky riders, and foam pits, offering endless hours of active fun. Moreover, Loco Bear features the first and only Slime Universe in Dubai, two immersive laser-tag arenas, an indoor zipline and, a new interactive bowling concept 'Hyperbowl' - the first of its kind in the GCC. The modern design prioritizes safety, ensuring peace of mind for parents while kids immerse themselves in adventure. Beyond play, families can enjoy dining options and celebrate fun-filled special occasions, making it a perfect all-in-one destination and the go-to spot for action-packed and memorable family experiences.

REDEFINE EXTRAORDINARY LUXURY AT JUMEIRAH MARSAL ARAB

Introducing a new era of luxury hospitality in Dubai is the newly opened Jumeirah Marsa Al Arab resort, designed to resemble a superyacht, and a beacon of sophistication and elegance. Nestled beside the mesmerizing Burj Al Arab, this ultra-luxury and contemporary sanctuary features 386 exquisitely designed rooms and suites, four penthouses, and 83 luxury hotel apartment suites. Boasting 12 world-class dining venues, an immaculate private beach, an exclusive marina, lush gardens, and a state-of-the-art 3,500 sqm three-storey spa, the tranquil haven provides the perfect escape for relaxation, while its cutting-edge event spaces ensure memorable celebrations and corporate gatherings. Strategically situated near Dubai's premier attractions, such as the Dubai Mall and Burj Khalifa, Marsa Al Arab is the ultimate destination for travelers seeking unparalleled luxury—the first-of-its-kind nautical lifestyle destination signifying a new chapter in Dubai's legacy of iconic hospitality experiences.

GEAR UP FOR EXCEPTIONAL EVENTS IN ABU DHABI

The capital's event calendar promises an electrifying season this year, hosting some of the biggest artists in the industry, as well as much anticipated high-octane sports celebrations. For live concerts and festivals, venues like Etihad Arena and Etihad Park will transform into excitement hotspots, welcoming fans for unforgettable performances galore. Kicking off the season is **Club Social** at Etihad Park from **18-20 April**, featuring Usher, Snow Patrol and the Kooks, followed by **OFFLIMITS Festival** on **26th April** showcasing performances by Ed Sheeran, Faithless, OneRepublic and many more. On **27th May** is the legendary band Guns&Roses at Etihad Arena. Sports fans can join the UFC action with the **UFC Fight Night** on **26th July**, and adrenaline-enthusiasts can secure seats for the most anticipated event of the year – the **Formula 1 Etihad Airways Abu Dhabi Grand Prix 2025**, scheduled from **4th – 7th December**. With many more exciting events yet to be announced, Abu Dhabi promises a truly stellar entertainment experience for one and all.

BRACE YOURSELF FOR THE REVOLUTIONARY DUBAI LOOP

The Dubai loop is a revolutionary transport system set to transform travel in the UAE, promising speeds of up to 160 km/h. It will drastically reduce travel times between emirates, where a Dubai-Abu Dhabi journey will be merely 12 minutes instead of 80 minutes. The underground high-speed transport network spanning 17km (10.6 miles), a project by Elon Musk's The Boring Company and Dubai's Road and Transport Authority (RTA), aims to carry more than 20,000 passengers per hour initially, with an eventual capacity of more than 100,000 people per hour. The system will offer a sustainable, efficient, and futuristic solution to modern commuting, utilizing magnetic levitation and low-pressure tubes. As the UAE continues to pioneer innovation, the Dubai Loop is a testament to the country's commitment to embracing cutting-edge technology and shaping the future of mobility.
